

Scalability & Future Plan

Project: EduGenie: Google Gemini Powered Learning Assistant

Team ID	Team Size	Team Leader	Team Members
SWTID-2026-5228	5	Madhubala G	Pavithra G, Logeswari G, Sivapriya W, Gopika M

Scalability

Area	Plan
Hosting	Deploy on a cloud platform such as Streamlit Community Cloud so many students can access it
Performance	Cache repeated answers and limit request size to reduce cost and waiting time
Usage Limits	Add per-user request limits to stay within the API quota
Codebase	Prompt functions are separate from the UI, so new subjects and features are easy to add

Future Plan

Phase	Feature	Benefit
Phase 1	PDF and image upload for notes	Students can summarize their own material
Phase 1	Answers in Tamil and other Indian languages	Reaches more students
Phase 2	Login and saved history	Continue learning across sessions
Phase 2	Progress dashboard and quiz scores	Track improvement over time
Phase 3	Voice input and spoken answers	Easier for younger learners
Phase 3	Teacher and institution dashboards	Use in classrooms and colleges
