Customer Problem Statement

Problem Statement (PS)	I am	I'm trying to	But	Because	Which makes me feel
PS-1	A school or college student	Understand difficult concepts and clear doubts at any time	I can't always reach a teacher or find explanations at my level	Textbooks are dense and search results are scattered	Stuck, frustrated and demotivated
PS-2	A student preparing for exams	Revise quickly and test myself	Making notes, summaries and quizzes by hand takes too long	I have no tool that turns my material into study aids	Overwhelmed and anxious
PS-3	A self-learner	Follow a structured study plan	I don't know where to begin or how to pace myself	Learning content isn't personalized	Lost and inconsistent
